Society Insurance Raises \$32,560 to Support Feeding America Eastern Wisconsin

FOND DU LAC, Wis. (August 3, 2020) — Society Insurance has raised \$32,560 to provide meals for food-insecure families via Feeding America Eastern Wisconsin, as area communities aid those affected by the COVID-19 pandemic.

“This donation will provide almost 100,000 meals to local families facing hunger,” said Liz Wollenberg, director of development for Feeding America Eastern Wisconsin.

Society Insurance partnered with Feeding America Eastern Wisconsin for its ability to respond quickly to increased community needs resulting from lost jobs and reduced income during business closures implemented to reduce the spread of COVID-19 in Wisconsin.

Individual donations from Society’s employees raised \$16,280 for the campaign. A dollar-for-dollar corporate match from Society doubled the fundraising total to \$32,560.

“Our employees have shown incredible generosity to those who are most in need,” said Rick Parks, Society Insurance president & CEO. “It’s humbling to work with such a caring group of people.”
