Society Insurance Named in *Business Insurance* Annual Best Places to Work in Insurance

Award recognizes outstanding employers in the insurance industry

FOND DU LAC, Wis. (November 10, 2021) — Society Insurance has been named in the annual Business Insurance Best Places to Work in Insurance program, which recognizes employers for their outstanding performance in establishing workplaces where employees can thrive, enjoy their work and help their companies grow. Society ranked 13th in the nationwide Medium Employer category, which consists of companies with 250 to 999 U.S. employees.

Based in Fond du Lac, Wis., Society Insurance insures restaurants, bars, and other small-to-medium businesses in nine states. Society ensures growth and development opportunities for its 330 employees via personalized career coaching, tuition reimbursement and student loan repayment. Employees receive a generous compensation and benefits package, including 401(k) profit-sharing match and defined-contribution retirement deposits.

Society's culture reflects its core belief that employees who lead a balanced, happy life are motivated to excel in serving their customers. Remote work and telecommuting options, flexible scheduling and ample paid time off allow each person to create their ideal work/life balance. Wellness and health club reimbursements, free annual health risk assessments and complimentary health nurse coaching sessions are key pieces of the wellness program. And because nothing feels better than giving back, Society promotes community stewardship with grants from the employee-led Charity Committee, paid volunteer time off and an annual charitable match program.

"We are gratified to be selected as one of the Best Places to Work in the insurance industry," said Rick Parks, Society Insurance president & CEO. "Because this is based primarily on a survey of employees regarding how they feel about the company, we believe it's particularly meaningful. Employees are the ultimate judge on whether you are a great company to work for."

Best Places to Work in Insurance is an annual sponsored content feature presented by the Custom Publishing unit of Business Insurance and Best Companies Group that lists the agents, brokers, insurance companies and other providers with the highest levels of employee engagement and

satisfaction. Harrisburg, Pa.-based Best Companies Group identifies the leading employers in the insurance industry by conducting a free two-part assessment of each company. The first part is a questionnaire completed by the employer about company policies, practices and demographics. The second part is a confidential employee survey on engagement and satisfaction.

The program divides employers into the categories of small, 25-249 employees; medium, 250-999 employees; and large, 1,000 or more employees. This year's report features 100 companies of various sizes, from 25 employees to more than 4,000.

The ranking and profiles of the winning companies will be unveiled as a sponsored content supplement in the November issue of Business Insurance and online at BusinessInsurance.com.
