Korkow Wins Customer Experience Award, Chooses Habitat for Humanity as Charity Beneficiary

FOND DU LAC, Wis. (May 5, 2020) — Brad Korkow recently received the Society Insurance Customer Experience Award in a brief ceremony at Society's corporate headquarters in Fond du Lac. This award is presented quarterly to an employee nominated by his or her colleagues for exceptional efforts in serving Society Insurance policyholders.

In recognition, Society donated \$250 to Habitat for Humanity of Fond du Lac County in Korkow's name.

Korkow serves as a senior regional sales manager in Society's southwest Wisconsin and Iowa territories, working with independent agents and policyholders in those areas. He has been an important customer advocate for more than 20 years at Society, serving as the hub of many key agency relationships.

Through his management of service territories with the highest combined premium at Society, Korkow plays a critical role in cultivating mutually beneficial relationships with agencies and policyholders across the full spectrum of Society's products.

In 2019, Korkow received the Iowa Restaurant Association's Purveyor of the Year Award. At the award ceremony, the presenters noted that his award was "a long-overdue and well-deserved honor." Society is proud to know that many of Korkow's fellow business acquaintances would agree.
