Ron Klimek, Stacie Roloff Win Society Insurance Customer Experience Award

FOND DU LAC, Wis. (March 20, 2023) — Ron Klimek and Stacie Roloff recently received the Society Insurance Customer Experience Award in a remote ceremony from the company's corporate headquarters in Fond du Lac. This award is presented quarterly to an employee(s) nominated by his or her colleagues for exceptional efforts in serving Society Insurance policyholders.

In recognition, Society donated \$250 to a charitable organization of each winner's choice. Klimek chose Next Steps, which provides resources and coaching to people in crisis; Roloff selected Soaring Spirits International, a provider of grief-support programs for widowed men and women.

Klimek and Roloff led a team that contributed to Society's successful entry into the Texas marketplace in 2022. The company far exceeded premium-production goals in its newest state of operation – a testament to the strong relationships established with Texas agents and policyholders.

As a regional sales manager in Texas, Klimek appoints independent agencies to market Society's policies. He cultivates relationships with agents and policyholders that are a good fit for the coverage Society does best and assists in resolving insurance questions and issues as they arise.

Roloff, the company's senior commercial underwriter in Texas, works with agency partners to quote, place and service business insurance policies. Agents have praised Roloff for her knowledge, responsiveness and caring approach.

Along with their Texas support team, Klimek and Roloff work hard every day to deliver on Society's promise to serve for the benefit of its policyholders.
